Image	Title	Size (H x W)	Media	Price (US\$)
A small, dark, textured ceramic sculpture of a reclining human figure, possibly a woman, lying on her side. The figure is dark green or black with a rough, raku-fired texture. It is suspended by thin white threads from above, creating a sense of weightlessness. The background is plain white.	Flow	5x13 in (13x33 cm)	Ceramic, Japanese Raku Fired	\$ 3,100
